

NEWPORT

"Newport: las huellas del paso del tiempo."

Las superficies revestidas con este audaz diseño, muestran una riqueza y naturalidad propia de las paredes en las que el paso del tiempo ha ido dejando sus huellas. Su autenticidad y realismo nos traslada a los edificios históricos restaurados, que preservan como un tesoro el estado original de paredes y suelos. El interiorismo que propone la colección Newport, está basado en la fusión de estas texturas retro con otros acabados, elementos y objetos actuales.

La colección Newport es muy amplia, ya que se compone de cinco colores básicos a elegir: White, Beige, Natural, Gray y Dark Gray, tanto para revestimiento de paredes como suelos. Para revestir las paredes las posibilidades se multiplican, ya que existen cinco relieves distintos en todos los colores antes citados. Estos relieves se denominan Avenue, Century, Island, Park and Old.

"Newport: the traces left by time."

The surfaces covered by this daring design reveal all the rich natural splendour of walls on which the passing of time has left its mark. Authenticity and realism reminiscent of restored historic buildings, which jealously safeguard their original floors and walls. The interior designs reflected by the Newport collection are based on combining these retro textures with alternative finishes, elements and contemporary objects.

The Newport collection offers a wide choice of options, available in five basic colours:

White, Beige, Natural, Gray and Dark Gray for both wall and floor tiles.

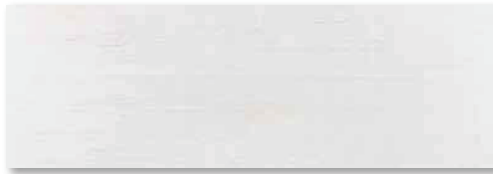

The number of wall tile options is further increased thanks to the range of five relief tiles, available in all the colours listed above. Take your pick from the Avenue, Century, Island, Park and Old models.
