NEW TRENDS

BOOK 2019

L'ac is Time.

Time that is moved to each home, each project. Natural products are endlessly caught up in each piece, becoming unique, unequalled and wise materials. Wise thanks to time.

The path of life has remained before being transformed into sublime elements.

L'ac tries to understand nature, caring for and coexisting with it. Committing with sustainability, L'ac provides fragments of life to each space. Each of those fragments represent life, transmitting experiences and wisdom. We are travellers of eternity.

L'ac es tiempo.

Tiempo que se traslada a cada hogar, a cada proyecto. Los materiales naturales quedan atrapados perennemente en cada pieza, convirtiéndose en materiales únicos, inigualables y sabios. Sabios gracias al tiempo.

El curso de la vida que ha perdurado antes de transformarse en elementos de máxima calidad.

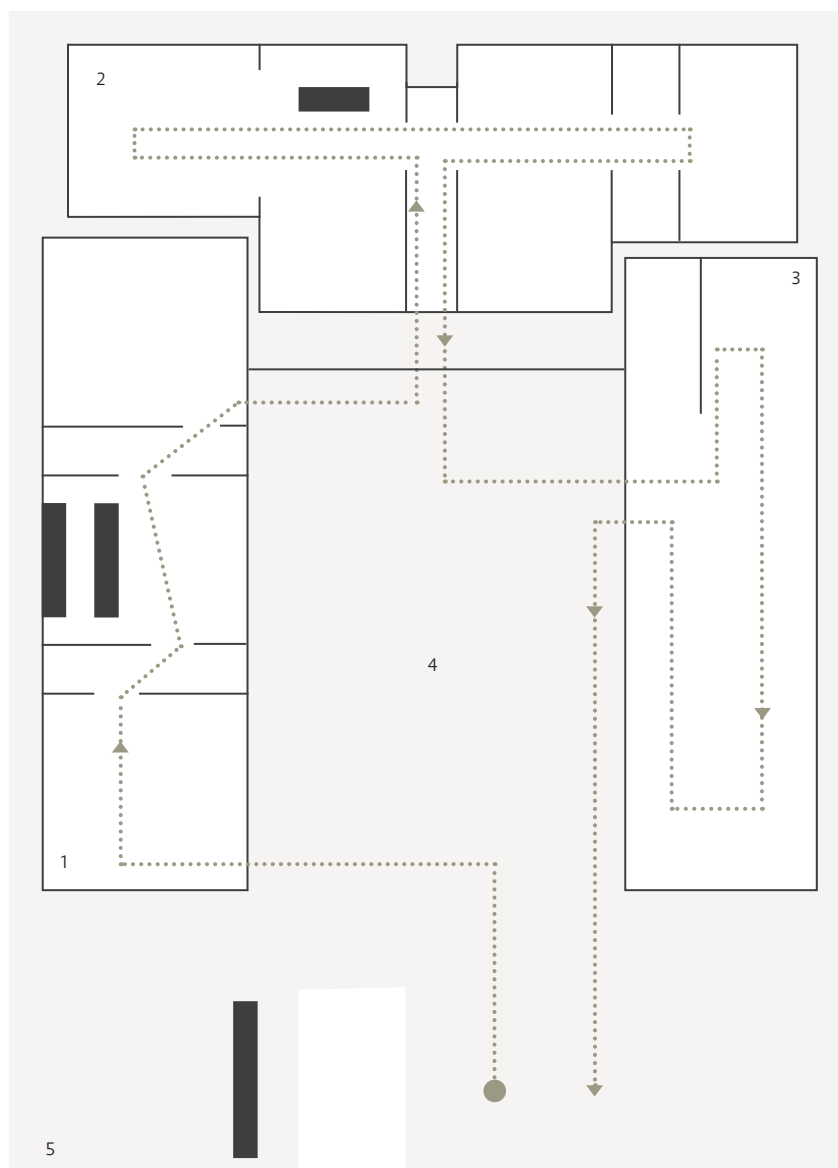

L'ac trata de entender la naturaleza, cuidarla y convivir junto a ella. Con una gran apuesta por la sostenibilidad, L'ac traslada fragmentos de vida a cada espacio. Cada uno de estos fragmentos representa vida, transmite vivencias y sabiduría. Somos viajeros de la eternidad.
